

Dear Customer,

Thank you for choosing Sonera Payment Terminal Service!

Before we can deliver a ready-to-use payment terminal, you must do the following:

1. Print these instructions and take them with you when you go to your bank to make a new payment terminal agreement.
NB: A separate payment terminal agreement with your bank is required for each Sonera Payment Terminal.
2. You must also sign the necessary agreements with credit card companies.
3. Register the agreement information you have received from the bank and credit card companies.
 - Register the information through www.sonera.fi/maksupaate/hallinta.
 - The administrator and normal users must register at the same time using the same SMP identifier.
 - Check that all registered information is entirely correct. You are responsible for the accuracy of the information you provide.

The information will be provided to Point Transaction Systems Oy, which will install the payment terminal so that it is ready to use based on the information you have given. Point Transaction Systems Oy serves as Sonera's partner in the Sonera Payment Terminal Service.

**If the registration fails or you have questions related to the order, please contact our Customer Service:
0206 90801 (dial 2)**

INSTRUCTIONS TO BANKS

Customers with an intermediary agreement do not need PATU keys of their own. Instead of using PATU keys, the customers must conclude an intermediary agreement. The payment terminal material is transmitted and the payment terminal feedback is collected by the use of the PATU keys of Point Transaction Systems Oy. The intermediary agreement of Point Transaction Systems Oy can be found in the bank systems based on the following information.

Handelsbanken

Point service ID: 009438199 000 Line ID: 05603832

Nordea

Point service ID: 009438199 230 User ID: 30447312

Pohjola Bank (Osuuspankki)

Point customer ID: 0943819-9 001 User ID: 923225697967

Sampo Bank

Point business ID: 009438199 001 Customer ID: 999183761

Savings Bank (Aktia / Local Cooperative Bank)

Point service ID: 009438199 000 Customer ID of line transfer: 05603808

Tapiola

Point service ID: 009438199 000 Customer ID: SRVCPOTRCL

Bank of Åland

Point remitter ID: 009438199 000 Customer ID: SRVCPTRS

When the customer ID has been created, the information must be registered either by the bank or the customer. The information is registered through Sonera's website at: www.sonera.fi/maksupaate/hallinta, under "Rekisteröi uusi maksupääte" ("Register new payment terminal").

MULTIPLE USER VERSION (Joint use by several companies)

The multiple user version enables several legally separate companies to share a payment terminal but receive payments on their own accounts. The companies sharing the payment terminal must have accounts in the same bank, and each company must conclude its own payment terminal agreement (intermediary agreement).
